Open to all horse breeds and will be judged on breed standard in all classes.

1. Registration for any class or event is considered acceptance of the rules.
2. **NOTICE:** The Rainy River Valley Agricultural Society and/or any person connected with this or officiating at this show, is not responsible for any loss, damage, or injury, resulting from participation in this show or related events.
3. For safety purposes stallions may only be shown by exhibitors 18 years and over and at the discretion of the Rainy River Valley Agricultural Society Board of Directors.

Participants between 11 and 16 years must have a parent or legal guardian sign a waiver to be allowed to ride without a helmet. If you do not have a signed waiver, you will not ride without a helmet. We strongly recommend protective head gear for all riders. No one will be penalized for wearing a helmet in any class.

6. All participants 18 years and under must be accompanied by a parent, legal guardian or trainer.
7. Classes with a large number of entries may be split to provide a safe riding environment and allow exhibitors to show at their best at the discretion of the judge or the representative of the Rainy River Valley Agriculture Society.
8. Generally accepted and appropriate tie downs will be permitted in gymkhana classes. No bats or whips allowed with the exception of teamstering where they are allowed to be displayed on the wagon or buggy, but not used. No whipping horses with any item of tack, such as reins. Spurs are allowed, but cannot be used excessively.

SCHEDULE

Classes 1-4 will be on Friday morning in the horse show arena starting at 9:00 a.m.

Classes 5 and 7 will be on Saturday morning in the horse show arena at 8:00 a.m. - 11:00 a.m. The show will break at 11:00 a.m. to prepare for the parade. Classes will resume following the parade. Class 6 will be judged in the show ring at 10:30 a.m. prior to the parade.

Parade participants will leave together at 11:00 a.m. to go to Front Street by CIBC bank.

ENTRIES

A current Rainy River Valley Agricultural Society (RRVAS) membership is required to participate. The annual membership fee is \$10.00. The next year's membership is automatically taken from your winnings. If you do not wish to have the membership taken from your winnings, you must notify the RRVAS when you enter. No replacement cheques will be issued.

Do not enter other exhibits (crafts, photography, etc) on your horse show form!!!

The exhibitor will be assigned an exhibitor number for the show for each horse, or team exhibited. This number will be different from your RRVAS membership number. You will be required to complete an entry form for the horse show as well as one for RRVAS exhibition. You will need to record your RRVAS membership number on your horse show entry form so that prizes will be recorded accurately.

Exhibitors entered in the lead line classes are not permitted to ride in any other classes. All lead line participants must wear a helmet.

Walk Trot classes are intended for exhibitors that will perform at walk/trot speeds only. You have the choice of whether to participate in Walk/Trot or other age group but cannot show in both. You cannot switch over to another category in any class (per horse/rider combination). You will indicate this on your entry form. There is no age division in the Walk/Trot class.

Riding categories are determined by your age as of January 1st.

You will have a set time to finish for each gymkhana event. If you are not finished within the allotted time, you will be excused from the class and will be asked to leave the ring at the judge's discretion. Time limit will be posted with the class list.

Entry forms are included and will be used by all horse participants including minis, drafts and light horses.

According to RRVAS rule #1, "ALL LIVESTOCK (Beef, Dairy, and Horse) ENTRY FORMS must be received in the Fair Office between 4:00 and 8:00 p.m. **MONDAY OF THE FAIR WEEK**. LATE ENTRIES WILL BE charged \$5.00 per animal."

Deposit will also be refunded in the event of cancellation prior to fair start date. Stall Request Forms are available on page 27 of this book as well as the RRVAS website.

PREPARATION OF HORTICULTURAL ENTRIES

The exhibitor is concerned with providing the highest quality possible, from the time of selecting specimens to placing them in the proper class. The following list provides guidance.

1. List or mark in the schedule the plants you have grown that are or will be at the proper stage for exhibiting, including the “any other” categories.
2. Cut flowers and foliage the evening before the show or in the early morning, selecting specimens of quality.
3. **Preparing Materials for Hardening**
 - a) Remove lower foliage cleanly. Upper foliage must be attached unless otherwise stated.
 - b) Specimen blooms must be disbudded. In fact, good exhibitors will often disbud weeks before the show.
 - c) Make a fresh slanting cut at the end of stems, for maximum water intake.
 - d) Place in a wide bucket in deep *warm water*, preferably overnight.
 - e) Store in a cool, dark, humid, draft-free place.
4. **Conditioning**

It is well known that some cut flowers, foliage and woody materials do not readily absorb water, and require further treatment prior to hardening, to prevent wilting during the show.

 - a) Flowering branches generally benefit from splitting the cut ends, although some require removal of the thick outer layer as well.
 - b) Some cut flowers (e.g. poppies) benefit from burning the stem ends, while others benefit from placing stem ends in boiling water or from chemicals in the water. Details are available in flower arranging books.

Note: Flower arrangers are familiar with conditioning and hardening, and exhibitors in the Horticultural Division should apply these same methods to avoid unsightly wilted specimens.
5. **Preparation of Specimens for Showing**
 - a) Grooming should be encouraged. Removal of dust, stains, pollen and any other foreign material from blooms and foliage enhances the exhibit.
 - b) Re-cut stem ends before placing in show containers.
 - c) **Some cautions:**
 - A bud showing colour is considered a bloom, which upsets the bloom count.
 - Only self-foliage is permitted to be attached, unless otherwise stated in the schedule.
 - Wiring, oiling, spraying and artificial colouring is prohibited in the Horticultural Division.
6. **Placing Entries**
 - a) Exhibitors are responsible for placing entries in proper classes. Some specialized exhibitions assign this responsibility to a subcommittee.
 - b) The classification committee can assist exhibitors to avoid errors in placing entries and ensure they qualify within the limits prescribed in the schedule.
7. **Preparation of Show for Judging**
 - a) The placement committee is responsible for ensuring that all entries are in the proper classes prior to judging.
 - b) Spacing of entries in the Horticultural Division can be adjusted, both for ease of judging and also for optimal public viewing.
 - c) Clearing the exhibition hall – Except for judges, clerks and a representative of the Show Committee, everyone should vacate the hall so that final preparations and briefing may proceed before judging begins.
